How to change or remove a group from the group categories

Ron M. - 2023-02-24 - Community Groups

You are able to unassign a group from a [Group Category](#) at any time.

Changing/Removing a Group from a Group Category:

1. Click **Groups** or the **People** icon on the left menu.

2. Click the **View** button for the group you would like to adjust.

3. Click **Settings** near the top right. This will display the group's settings page.

4. In the Basic Information section, click the **Edit** button.

5. Using the **Group Category** drop down, select a new Group Category. You could select **No Category** to have the group be assigned to no category or **All** to assign the group to all categories.

6. Click **Save** when done.
