Groups allow members to network and communicate with fellow group members through a discussion forum.

Joining a Group

1. Click **Groups** or the **People** icon on the left menu.
2. Find the Group you would like to join and click on the **View** button.
3. Click the **Members** tab at the top of the group.
4. Click the **Join** button in the top right.

Note

If you do not see the Join button, the group may not be accepting new members.
