

How do I join a group?

David H. - 2021-11-25 - Community Groups

Groups allow members to network and communicate with fellow group members through a discussion forum.

Joining a Group

1. Access the **Group / Community** area by using the link on the **Dashboard** or the menu on the left menu.
2. Find the Group you would like to join and click on the **About** button.
3. Click on the **Join Group** button found near the top right corner.

Note: If you do not see the **Join** button, the group may not be accepting new members.
