How do I leave a group?

David H. - 2024-04-05 - Community Groups

You may wish to leave a Group if you no longer want to participate or if you joined by mistake.

Leaving a Group

1. Click **Groups** or the **People** icon on the left menu.
2. Find the Group you would like to leave and click on the **View** button.
3. Click the **Members** tab at the top of the group.
4. Click the **Leave** button to leave the group.

If you encounter any issues, contact the Group's Administrator for any assistance with leaving the group.
