Once an event has been created within MemberNova, Event Reminders can be created in order to send reminder emails to various different recipient groups.

Creating an Event Reminder

1. Click **Events** or the **calendar icon** on the left menu.

2. Click **Manage** on the event you would like to create an event reminder for.

3. On the top right of the event, click **Setup**.

4. Near the top of the events page, click **Settings.**

5. Scroll down the page to **Event Reminders** and click **Add.**

6. In the Add Event Reminder popup, you will have these options:

   - **Name -** The name or identifier for the event reminder.

   - **When -** Allows you to set when an event reminder will be sent out.

     - **Day(s) -** Allows you to set how many days prior to the event's start date and time that the reminder be sent out.

     - **Hour(s) before -** Allows you to set how many hours prior to the event's time that the reminder will be sent out.

   - **Select Template -** A drop down that lets you select which email template to use.

     - **System** - Displays the prebuilt MemberNova templates.

     - **Custom** - Displays templates which were created by the Organization.

   - **Recipient Group -** Allows you to select which recipient groups the reminder will be sent to.

     - **Orders -** Sends the event reminder to individuals who had submitted an event registration order.

     - **Attendees** - Sends the event reminder to the individual event attendees.

- **Active -** Allows you to enable or disable an individual event reminder.

7. Once the event reminder has been configured, click the **Save** button to finalize and save the event reminder.

Managing Event Reminders

1. Click **Events** or the **calendar icon** on the left menu.

2. Click **Manage** on the event you would like to create an event reminder for.

3. On the top right of the event, click **Setup** or the **Gear** icon.

4. Near the top of the events page, click **Settings.**

5. Scroll down the page to **Event Reminders**.

6. On the far right side, click on the **down-arrow** for the event reminder you would like to manage. You will be presented with the following options

   - **Edit -** Opens the **Edit Event Reminder** popup, allowing you to make adjustments to the event reminder.

   - **Make Active/Inactive -** Enables or Disables the selected event reminder.

   - **Delete -** Removes the event reminder from the selected event.
